

Browser Requirements

Purpose:

Keeping your Internet browser up to date is important because of the potential security vulnerabilities that may exist with older versions of browsers.

In support of this security initiative recommended by web browser companies, we suggest that users update browsers to the latest version of Google Chrome, Internet Explorer, Safari, or Mozilla Firefox.

Below are links to download/update your browser:

- Internet Explorer: <http://windows.microsoft.com/en-us/internet-explorer/download-ie> – (MUST be IE 10 or above for compatibility)
- Google Chrome: <https://www.google.com/chrome/browser/desktop/>
- Mozilla Firefox: <https://www.mozilla.org/en-US/firefox/new/#download-fx>
- Safari for Mac: <https://www.apple.com/support/mac-apps/safari/>
